Sir:

Small entity fees were inadvertently paid for the maintenance fee due at 3.5 years from the date this patent was granted. Notification is hereby provided that this patent is no longer entitled to small entity status (please also refer to the Notification submitted on August 21, 2007).

Applicant believes that the fee deficiency owed due to payment of small entity fees is \$480.00. Calculation of the fee deficiency owed was made by calculating the difference between the current fee amount for other than a small entity (\$930.00) and the amount of the previous small entity fee payment (\$450.00).

The Commissioner is hereby authorized to charge \$480.00, and any other required fees, to Deposit Account No. 503503 in order to remedy the above-described fee deficiency.

The Examiner is invited to contact the Applicant's Representative at the below-listed telephone number if there are any questions regarding this request.
